Hoofprints in the Sands of Time

On this our tenth year we hope to show,
High-lights and progress for all to know.
From bare brown acres our high school grew,
To these proud buildings both old and new.

Students and studies have filled these halls,
Friendship and pride have built strong walls.
Buildings have grown, but in proportion too,
Ideas have expanded from old and new.

Many will leave for scenes anew,
But memories will last to see them through.
To Micohi, the green and gold,
Its story in pictures will now unfold.

South Bay Administration

Under the capable direction of Dr. W. Earl Brown, Superintendent, the South Bay School Board met the first and third Wednesday of every month. These meetings were attended by Mr. Robert Trimble, Clerk; Judge Clifford Higgins, Vice President; Dr. John Cooper, President; Mrs. Dorothy Battersby, Mr. Adrian Bibee. Assisting in the duties of superintendent are Mr. Raymond Jones and Mr. A. L. Young.

Working together, the Board handles problems concerning school policies, finances, construction and other important issues. They also help in the selection of the faculty each year.

In a lighter moment . . .

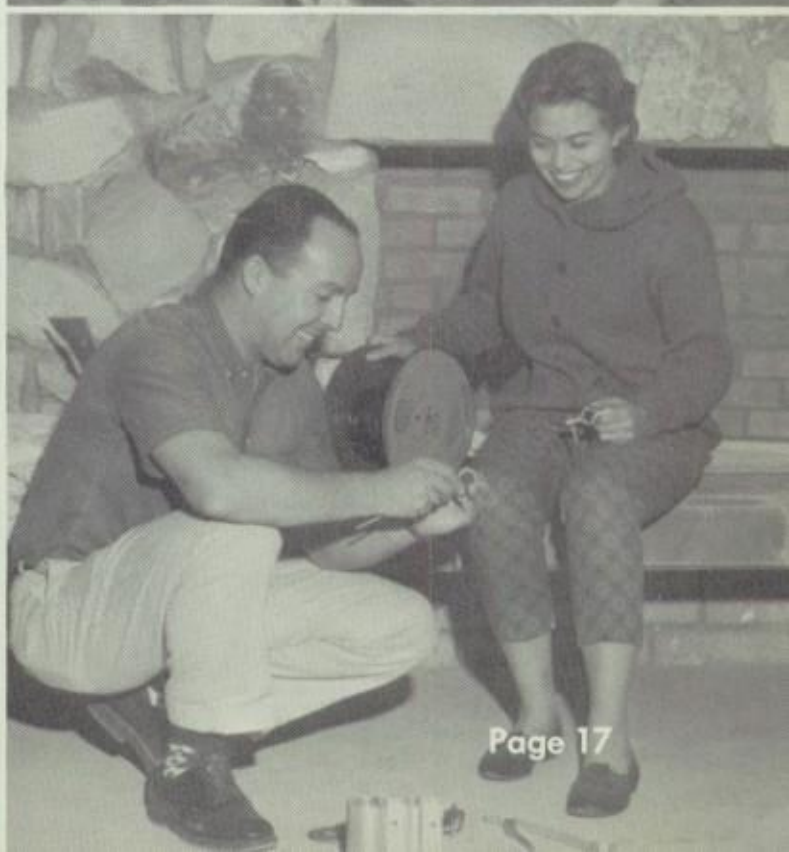
Guiding our way through another successful year at Mira Costa is our dedicated administration. Heading the group is our principal, Mr. Lloyd Waller, who has held this office since the opening of our school in 1950. Assisting Mr. Waller are Mr. Carl Fisher, Boys' Vice Principal who joined us in 1951 as math instructor, coach, and Attendance Officer, and Mrs. Catherine McVey, who has served the school since 1950, also. Helping the students select their course of studies are our counselors under the direction of Miss Millie Thomas. They are Miss Aletha Brown, Sophomores, Mr. Andrew McIntyre, Juniors, Mr. James Mills, Juniors and Miss Joan Risse, Seniors. Their work is very much appreciated by the Student Body.

Lloyd Waller, MC principal turns to the stream for out of school relaxation.

Mrs. Catherine McVey, Girls' vice-principal, has found warmth and pleasure in her growing art collection.

Family man through and through is Mr. Carl Fisher, Micohi Assistant Principal. He grinningly confides "Only 401 steps from our home to the beach!" The year round tans of the Fisher Family support this statement.

Though these be only ceramic, Miss Millie Thomas, head counselor, gains enjoyment in caring for her many cats.



"Hand-built" and nearing completion, Mr. and Mrs. Hugh Cameron are seen adding final touches to their home-to-be. Hours spent at dances and other school functions are also time consuming elements in the "out of school" life of MC's Student Director.

Friendship and Service

GIRLS' LEAGUE EXECUTIVE BOARD, L. to R.: Anne Carr, Judy Martin, Linda Reardon, Mrs. McVey, Toni Hinds, Georjess Forrester.

In accordance with the motto of the Mira Costa Girls' League, "Loyalty, Friendship, and Service," the organization proved to have a year full of worthwhile activities.

The Girls' League sponsored events throughout the year for all to enjoy. The season began with Howdy-Day tags, in a coffee house theme. The Cotton and Cord Dance, also in the same theme, and the Christmas project were both very successful. The Coronation Ball, which was a turnabout affair, climaxed the year.

In addition to the annual program, the convening of the Regional Conference fell on Mira Costa for the year '59-'60.

Under the capable leadership of the board, Linda Reardon, President; Anne Carr, 1st Vice-President; Toni Hinds, 2nd Vice-President; Judy Martin, Secretary; Georjess Forrester, Treasurer; and class representatives, the league maintained the high standards previously set.

Promote Loyalty

Of the activities planned for the year, the Boys' League rooter tags opened the season to build up enthusiasm for the first football game and those following.

These tags raised the league's treasury balance to help finance many of their annual projects; among these projects was the Sweetheart Dance, anticipated by many. A representative was choosen for Boys' State, and the recipient of a scholarship was also decided upon.

The Board consisted of Wendall Hollis, President; Joe Moller, Vice President; Steve Thompson, Secretary; and Bob Vigil, Treasurer. The representatives all did a fine job during 1959-60.

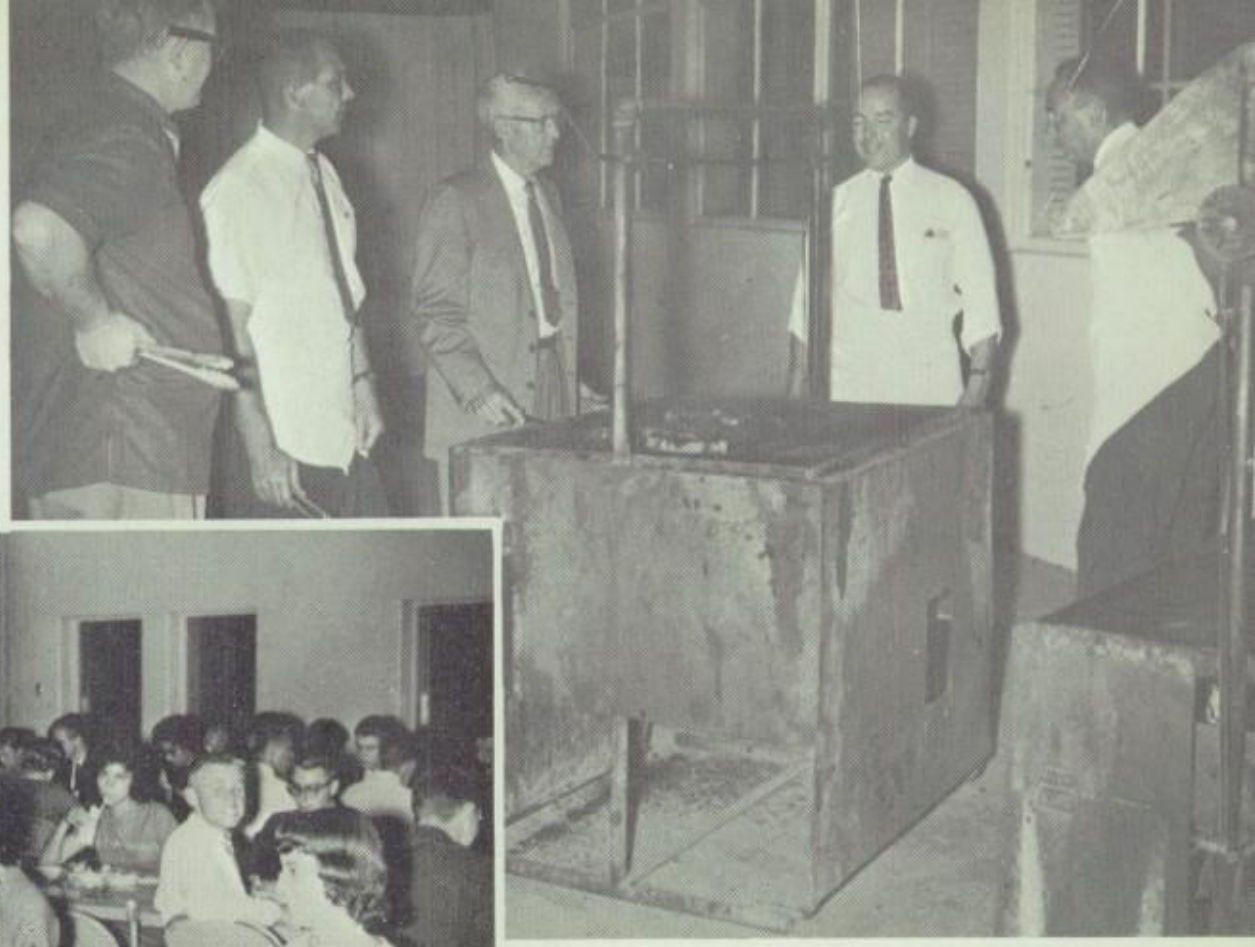
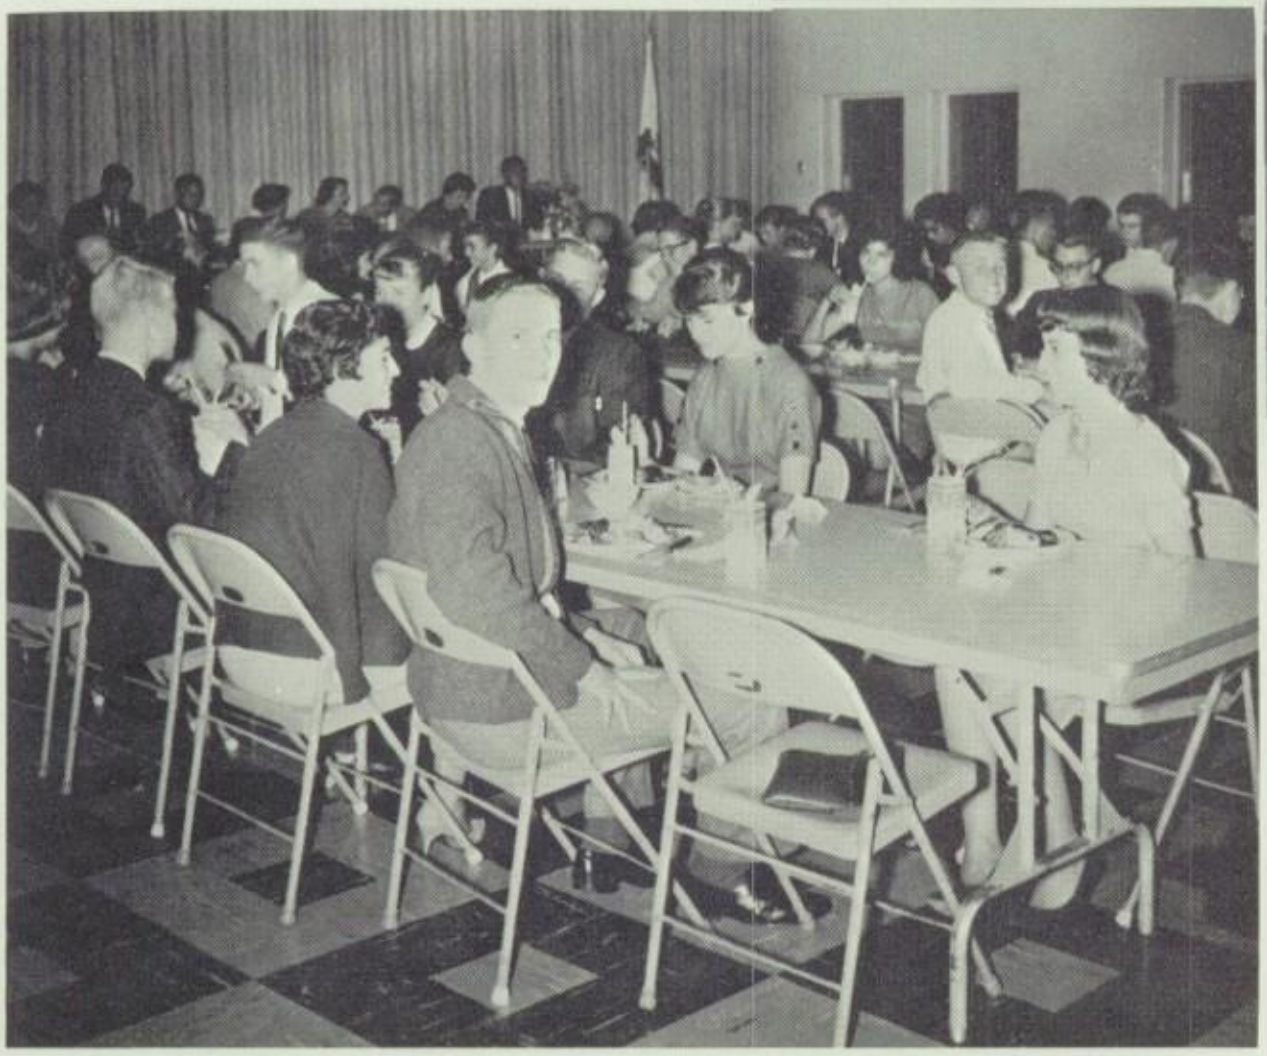
Cars of all makes and models, colors and shapes, adorn our two parking lots during the school hours.

Students of Micohi portray the excitment, tension, and thrills found at all the football games for the 1959 season.



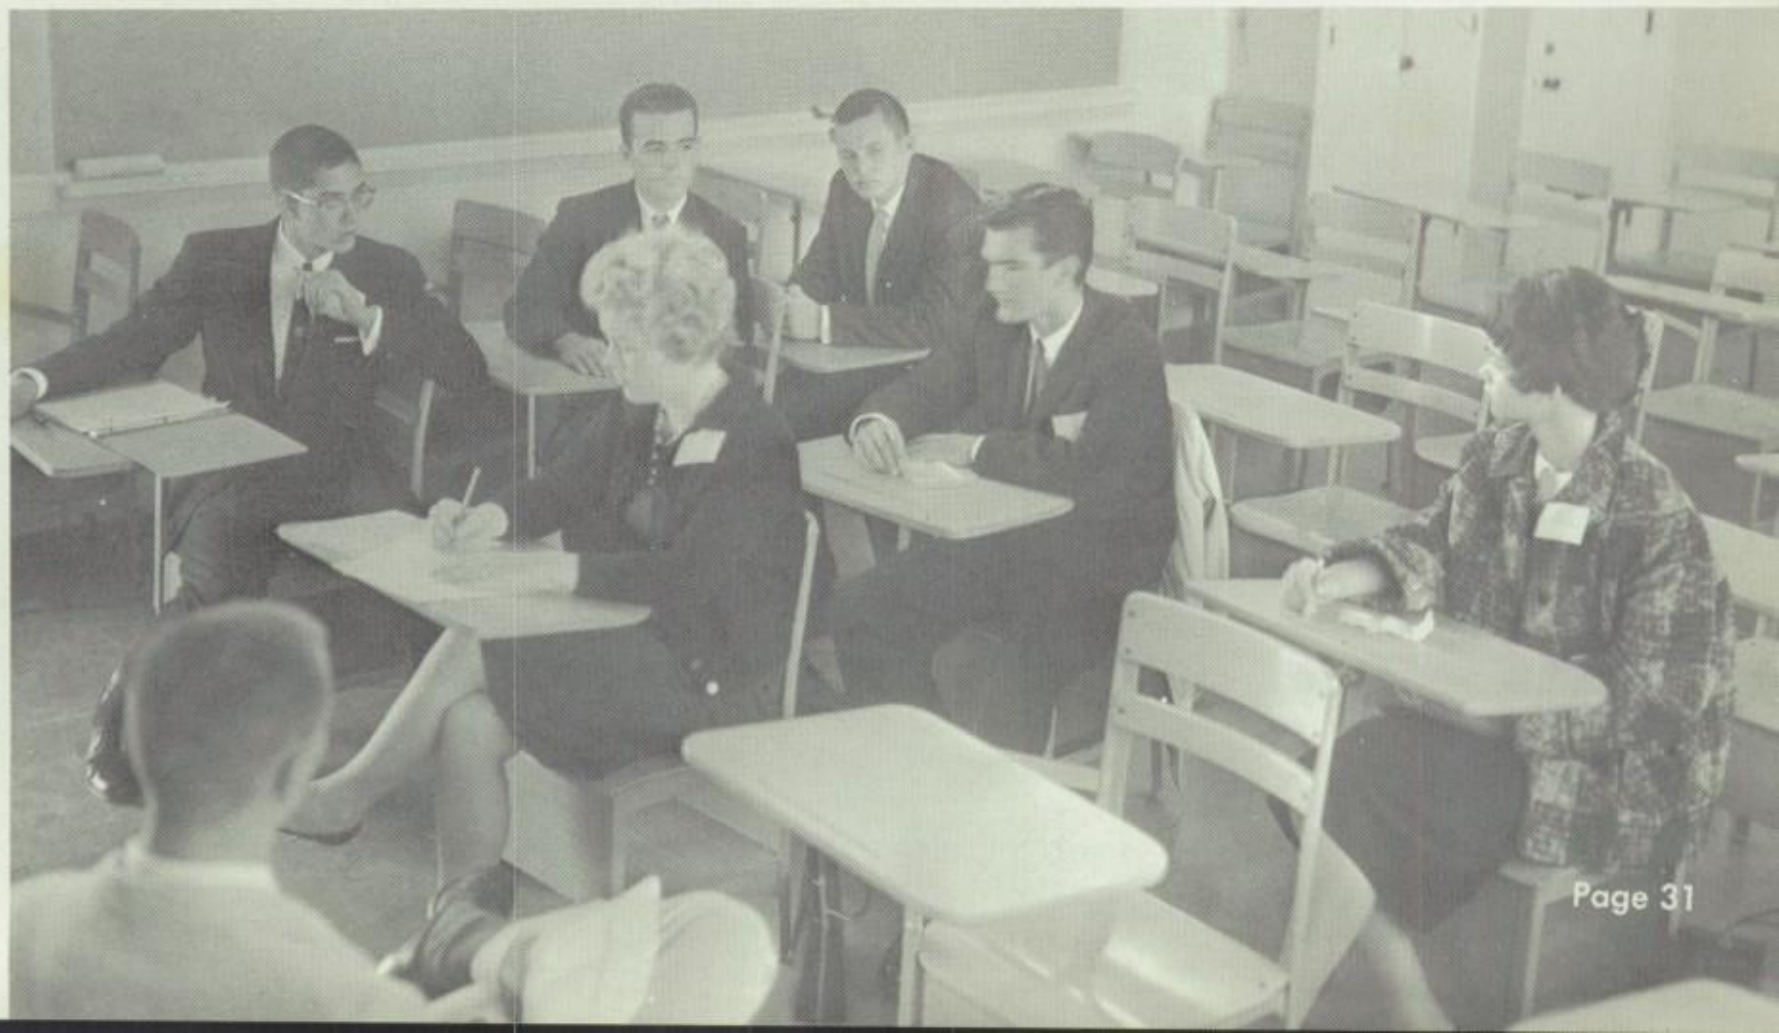
The smoke cleared long enough to snap "men about campus," "Fred," Mr. Fisher, Mr. Waller, Mr. Cameron, and Mr. Waters burning steaks at the Senate dinner.



Spilled milk and stolen silverware were no problem at this Dona-Key Club dinner. A speech on "Teenage Citizenship," delivered by Mr. Stannard, praised the work of all service clubs.

Candid Shots of School Life

Student leaders from all eight Bay League schools gathered at MC to discuss aspects of school life. This panel on entertainment, attended by MCer Leonard Medeiros, was one of the many that comprised the Bay League Forum.



FROSH AND SOPH JOINED THE RANKS

Another project begun, Frosh class officers clear ground for the planting of a tree. In bewilderment, for she's only a freshman — Betty shrugs at the question "What next?"

Freshmen review the past year.

Although they were uncertain and a little skeptical of all the activities they were to meet during their first year at Mira Costa, the class of '63 finally resolved to take the changes in stride and participate in the activities Micohi offered.

The Girls' League Welcome Assembly chose twelve girls to display their talent at yell leading, reading coffee house poetry with the background of "experienced" guitar players, and attempting to make the most of the embarrassing event, they gave unusual performances.

The annual magazine drive brought in $2,930.00, and was a recognized success. Karen Thompson, top salesman, won a camera, radio and a world globe for her efforts.

The class officers elected in November were: Mike Casagranda, President; Barbara Oder, Vice President; Betty Robison, Secretary; and Jonel Bartos, Treasurer.

As the year came to a close, they felt better prepared to meet events as Sophomores.

Ready to resume their studies and activities, the Sophomore class began their second year at Mira Costa, and prepared to work and enjoy themselves to the fullest. Leading the class of '62 were: David Watson, President; Kandy Rea, Vice President; Jodie Adamson, Secretary; and Nancy Stone, Treasurer. Five hundred sixty-five sophomores were enrolled in the fall. Learning to drive counted with many as their biggest achievement of the year.

Ground cleared by the Frosh officers is being made ready, tools in hand, for planting by Sophomore officers.

Pep Club's spirit

With their zany antics at games and rallies, MC Yell-Leaders L. to R., Jo Gilbert, Marilee Rice, Mike Fansler, Sharon Peterson, and Vickie White, submitted to streams of seltzer water, brought Miss Victory, Luke and his rifle, and other rally stunts to Mira Costa.

"Point, point, little kick, big kick . . . "Micohi songleaders show off their unique style. 1959-1960 songleaders are L. to R. Nancy Craven, Judy Jones, Jan Owens, Carol Widner and Mike Boswell.

Finally, the efforts of hours of practice gain their rewards. The excitement and color under the nightlights down on the track are as familiar to the spectators as the numbers on the football jerseys.

help rouse rooters

A new style was added this year to the whip-snap of the Flag group by these five Micohi Flag-Twirlers. L. To R., Kathy Taylor, Danita Holliway, Karen Aabel, Lyn Butler and Loretta Kim, gracefully executed intricate routines for Mustang spectators.

Sparkling batons and precise routines added much to MC rallys parades and games. Carmen Stewart and Anne Ebersole were two well-practiced majorettes.

Rivals meet and the Mustangs come out victorious in the MC-Inglewood football clash. "Mustangs" in more ways than one, are Pat Dering and Barbara Coulston, Melvin's inner-self.

Micoettes Combined Pom Poms and Practice

Bringing a splash of color to the half-time activities for the past football season, the Mira Costa Drill Team under Mrs. Remlinger and the Mustang Marching Band under Mr. Pearson performed capably at all games and activities. Marcia Whited, colonel; and Judy Martin, captain; directed the fifty-five member group through the many intricate routines.

Since both instructors were in their first year at Mira Costa there were many new ideas on formations and organization to be followed by both of the units.

This year, hoping to begin a new tradition, the Drill Team sponsored a turn-about dance, the Snowflake Ball. The annual Drill Team Banquet was held off-campus in January, and at that time the suspense was broken when the new leaders were announced.

To finish up the year, the Micoettes and the Marching Band traveled to National City for a competitive parade.

Personality plus girls —
Still smiling after a tough football season are Colonel Marcia Whited and Captain Judy Martin. They commanded, coaxed, and whistled their corps of 54 girls into a unified group of one.

From afternoon frustrations to Friday night fantasies . . . M.C. Drill Teamers prepare an intricate routine to the Hawaiian War Chant for the Inglewood-Mira Costa game. Then, under the night lights, after nine hours of practice, Micohi Green and Gold march into an "I" formed inside a diamond to give salute to the Inglewood Sentinels.

Season Reviewed . . .

Gridiron activity brought many a tense moment to Micohi rooters as the '59—'60 Varsity squad fought their way out of the cellar to a 5th place position, impressive considering the strength added to the Bay League this year.

The season opened with a heartbreaker, as El Segundo tripped the Mustang eleven with their touchdown as the final gun sounded. A completed pass to Burleigh Brewer and the ground offense of Ernie Gatchell gained MC's 13 points.

Though a 6 point favorite in the Culver City game, the Mustangs were unable to contain the Centaurs. Gary Gonnerman's sensational 72 yard quick kick and other such punts continually averted disaster.

The following week found MC facing a two-touchdown favorite, Leuzinger. The first and second quarter were a defensive battle with neither team moving into scoring position. However, yards were gained using an inside reverse play with Gary Troxel around the Olympian's weak side of their single wing. Bob Becker followed up on Dave Luecke's 20 yard run and charged into the end zone for the only score of the game, MC winning it 6—0.

The Redondo game as always was the big game of the year. Scoring first but missing the extra point, we were ahead 6—0 at the half. But a fired-up Seahawk team came back hard and fast to score a touchdown and conversion in the 3rd quarter. Here the action between the rivals came to a standstill and the final gun left the score MC—6 and RUHS—7.

Mustang gridders grabbed a 21—12 win over North Torrance. The action on the field was typified by a 19 play march to a final 1 yard plunge by Bill Pearlman for 6 points.

In the dismal Santa Monica game, the score-crazy Vikings walloped the defenseless Mustangs 53—0 while Inglewood delivered a lighter blow of 21—7.

The season record was completed with a total of three wins and six losses.

Chosen as Princesses were Jan Owens, escorted by Jerry Nickel, and Sharon Peterson, escorted by Ed. Wirth.

Purple and white decorations provided a royal setting and bouquets of pink carnations were presented to the court.

Senior pictures, activities make up the jobs for this committee composed of L. to R.: Vicki White and Nancy Corcoran.

Variety and changes are brought to the Hoofprints layout by L. to R.: Stephie

Working to make this year's annual the best are the editors, Gretchen Andersen and Anne Carr with Mr. Sanford as sponsor.

Typing and writing the copy for the annual are L. to R.: Lynne Treman, Melinda Kutch, and Georjess Forrester.

Upon the shoulders of the HOOFPRINTS staff falls the responsibility of putting together a "scrapbook" of Mira Costa activities and of recording memories for each Mustang. It seems a simple job. "Why not send these 14 girls out with Brownie Cameras?" a non-staffer may ask. The answer can only be found in room 51 every morning.

Each of the 180 pages must be "laid out" and drawn on intricate "dummy sheets," the typography for the book must be chosen and copy written. Even harder is the typing and labeling of this copy for each page. Once the pictures are taken, the negatives must be enlarged or reduced according to layout and the duotone sections decided on. Meeting "cruel deadlines" which the staff swears each time were moved up a week, makes their year on the staff . . . most stimulating.

Cartoons and characters are created by the art committee from L. to R.: Lynn Worley, Winnie Harkin, and Dorothy Hesketh.

Typical scene in chaotic Room Nine. Steve Emmons, LA VISTA managing editor, has probably informed Mrs. Fordyce that page 3 was missing.

Known as "them without hall-passes" Micohi journalists work amid laughter and confusion in room 9. The class varying from twenty students to just Mrs. Fordyce and Steve, depending on the day, constantly harasses Steve Emmons, LA VISTA managing editor. Somehow, Mondays and Wednesdays, "deadline days," are spent in mass confusion as are Tuesdays and Thursdays, "page pin-up days." However, on Fridays those passing room 9 must be recruited to fold the LA VISTA.

The assigning of stories is always fun for the editors. Nevertheless, the fitting of the assignments of four pages on the "back board" provides a challenge to the reporters who feverishly try to unscramble them.

In journalism, the student is given the chance to gain the experience and dependability that comes with covering a story and trying to satisfy the 2000 readers. First year journalists get a stable idea of the job, through journalism books, guides and discussion.

Journalistic jargon passes between the advanced staff, L. to R.: Arvin Collins, Marilee Rice, Karen Aabel, Linda Leon, and Mary Magnuson. **BACK ROW:** Judy Burrows, Gerry Connel, Wayne Overbeck and Tony Joseph.

Efficient journalists, rushing to meet deadlines, in complete control of the situation . . . are found at RUHS. LA VISTA staff, however, enjoy this class, and pause often to do so.

Frosh Reaps Rewards with New Watch Name

Capturing up a name and entering it in a contest paid off for Mira Costa freshman, Laurie Shandell this week.

"Submit a name for a watch of the future, explain in 25 words or less why you chose the name and win a two hundred dollar diamond watch plus two hundred dollars in cash," said to all. This week Laurie learned she had done exactly that.

Laurie came across the contest rules in a social studies magazine, "The World Week," and resolved not to miss the deadline, she entered the contest on November first.

Laurie received a volley of congratulations from the Hamilton Watch Company sponsors of the contest, during the Thanksgiving Holiday. On Monday, when Laurie returned to school after the holiday, Miss Bertha Strange, MC counselor received her set of the prize.

Laurie is unable to reveal the name she submitted for the watch by request of the company.

The fall credit semester classes will begin at 2:30, and close at 5:05 if enough students sign up.

Another plan under consideration for next September, will allow students to take an academic class, with required PE after school. This will provide a larger variety of classes, with PE possibly being re-scheduled.

According to Mr. Lloyd Waller, MC principal, these overlapping classes should be of great value to the students, supplementing work done at Mira Costa, and preceding those for college.

Steps to a New Record

Four Varsity runners, J. Quackenbush, Pete Philp, Don Murphy and Vince Rodriguez, pace each other over familiar course in preparation for competitive race coming up. NOTE: Barefoot members in lead — Moral: Shoes make feet harder to lift.

Coach looks on as his Varsity squad, the greatest in MC's 10 year history, paces past. While losing greats such as Murphy, Rodriguez and Fernandez, the JV team rivals the upper team for runners. L. to R.: Rodriguez, V., Murphy, D., Fernandez, R., Moore, W., Lucero, P., Fletcher, B., and Murphy, D.

A proud moment for Coach Dean Miller came as Mr. Lloyd Waller, Mira Costa principal, presented the Max Truex trophy to Richard Fernandez who received it for the Varsity team. Fernandez, a Varsity runner was disabled in the Mt. SAC Invitational after setting a record time.

Cross Country Cops NATIONAL Crown

Hard work and consistent effort brought national reward to the big team from Micohi.

This year's cross country squad was recognized as the greatest in Mira Costa's history.

In a showdown match between two undefeated teams, Mira Costa completely "wiped-out" Redondo in the 1.7 mile run on the MC's course.

Recording a near perfect score in the Long Beach College Invitational, the Varsity squad brought home the 1st place trophy for the second straight year. Led by Danny Murphy in 8:12, and Rich Fernandez, 8:15, the Mustangs compiled a low score of 20 compared with second place Bellflower's 47. Mira Costa's JV's, also took 1st place for the second year.

At the finish of the meet, the big team from MC accumulates 2 trophies, and 13 individual medals, plus a pair of impressive victories.

Mount San Antonio College Invitational, considered the biggest cross country meet in Southern California next to CIF finals, was captured by Mira Costa's fine team. The Varsity took seven out of the first twelve places to win the trophy with a low 27 points. Joe Hern, led the freshmen to victory as he won the race in 10:13.

Climaxing an undefeated season, Mira Costa's Varsity cross Country team won its second CIF Championship in the schools ten year history. Danny Murphy, MC junior, finished 2nd to La Habra's Bruce Best. Mustangs first won the crown in 1956. Micohi's JV squad failed to win its third consecutive CIF victory by only 2 points, coming in second to Aviation.

After winning CIF, Mira Costa went on to the National Cross Country competition to finish 39 seconds better than a previously set record, raising the team to the level of first in the nation.

Dan Murphy, Mira Costa's top cross-country runner, enters rope at the end of another long, hard and victorious race. One spectator claps Danny in, while others note Murphy's perfect form.

The motto of Mira Costa's Key Club is simply, "To develop leadership and initiative and to encourage qualities which make for useful citizens both on and off campus."

This honorary group promotes the general welfare of everyone; at many football and basketball games, members "oversee" ticklish situations to see that everything is under control; on the quad and in the cafeteria their work continues.

Besides the annual basketball game, Key Club vs. Faculty, this group lends their presence to two annual dinners. The Kiwanis Club, from which our Key Club stems, asks for two representatives each week to sit in at their luncheon.

Jerry Stidham, President, is supported by Joe Moeller, Vice President, Steve Thompson, Secretary and Richard Redfield, Treasurer. Mr. Stevens is the faculty sponsor.

An organization which strives for high standards of conduct and which promotes school spirit on campus is the Doñas.

On the '59-'60 calendar of events, the Doñas were busy at many activities. The Doña Carwash, held on a cold Saturday in November, netted this conscientious group warm profits. This project for the community was held in lieu of the annual Doña Dance.

These students perform acts of service for Mira Costa, acting as guides and hostesses at such events as the AFS Breakfast and the Father & Son Banquet.

Submitting ideas and guiding the group were its officers and sponsor: Darla Sowers, Chairman; Becky Brock, Assistant Chairman; Ruth Gerchow, Treasurer; Nancy Brown, Historian; Mrs. Christine Jolly, Sponsor.

Senior Conferences judge our actions . . .

The Boys' and Girls' Senior Conference have the responsibility of promoting a friendlier atmosphere on campus through good citizenship. They enforce school rules concerning smoking, regulation dress, and acceptable school conduct.

The five girls composing the Girls' Senior Conference are advised by Mrs. McVey. The girls change office every two weeks so as to take advantage of the various positions from chairman to doorkeeper.

The five boys making up the Boys' Senior Conference are advised by Mr. Cameron. They fill positions similar to the ones mentioned above.

Both groups have a common purpose in maintaining high standards at Mira Costa.

STUDENT OF THE YEAR

STEVE THOMPSON

Being named Mira Costa's Student of the Year marks that student as having given outstanding service continually in his past semesters to Micoho. Boy or girl, under classman or upper classman, every student is eligible. The Doñas, Key Club, HOOFPRINTS, LA VISTA, and Lettermen's Club are some of the organizations which cast ballots for this award, considering Personality, Service, Citizenship and Activities in their evaluations.

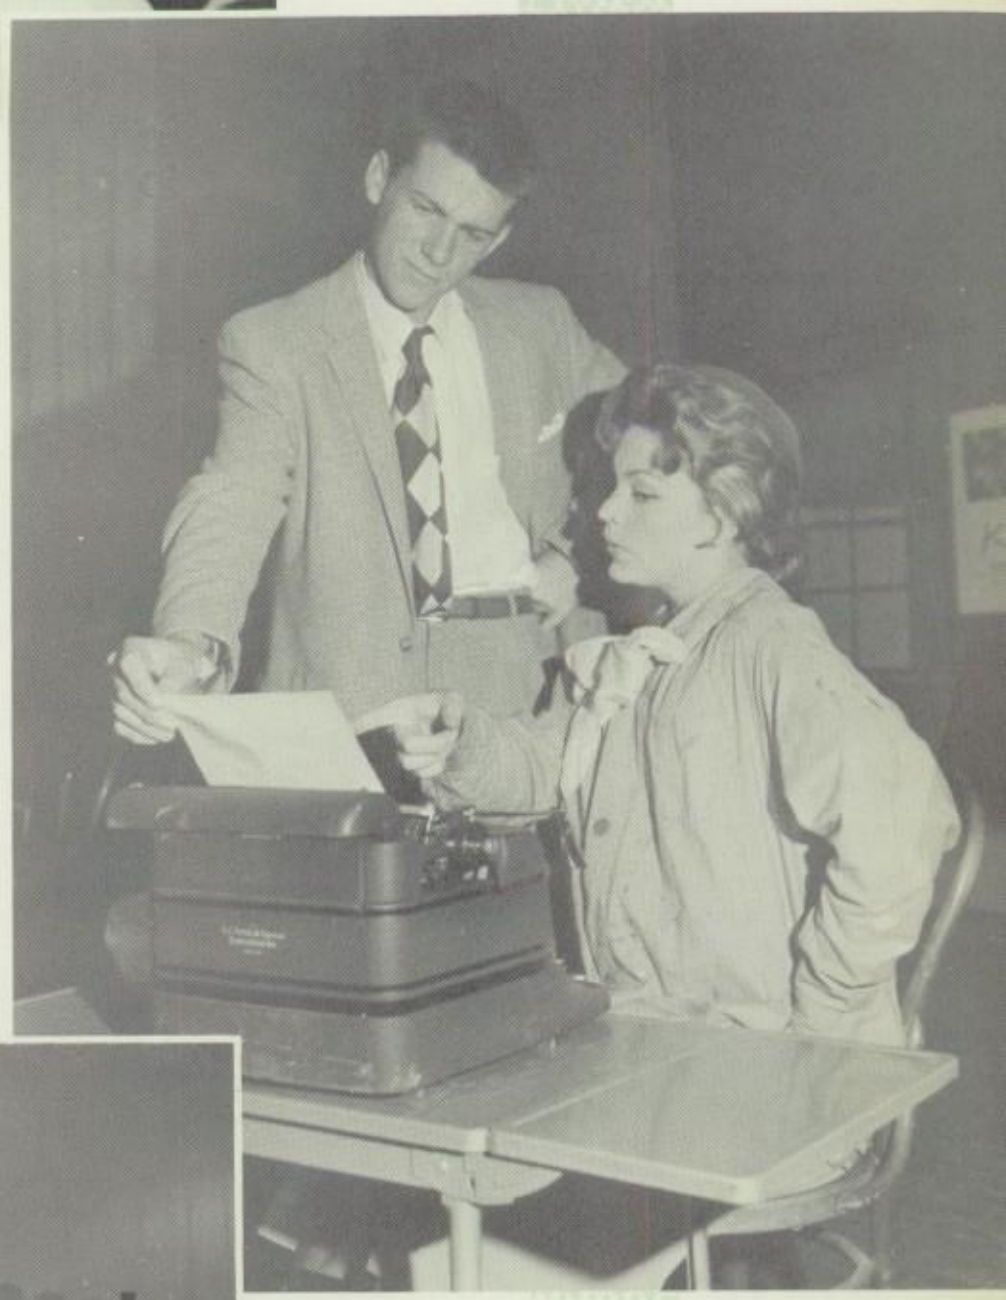
A Slice

Milling around and chatting with friends, Mira Costa's Coeds delight in a day of wearing casual attire during the Girls' League Capri Day held each semester.

While others swing to the music at this year's Alumni After Game Dance, Bill Brewer, grad. (lower right hand corner) may be whispering to his date, "What are they doing? We never used to dance at dances."

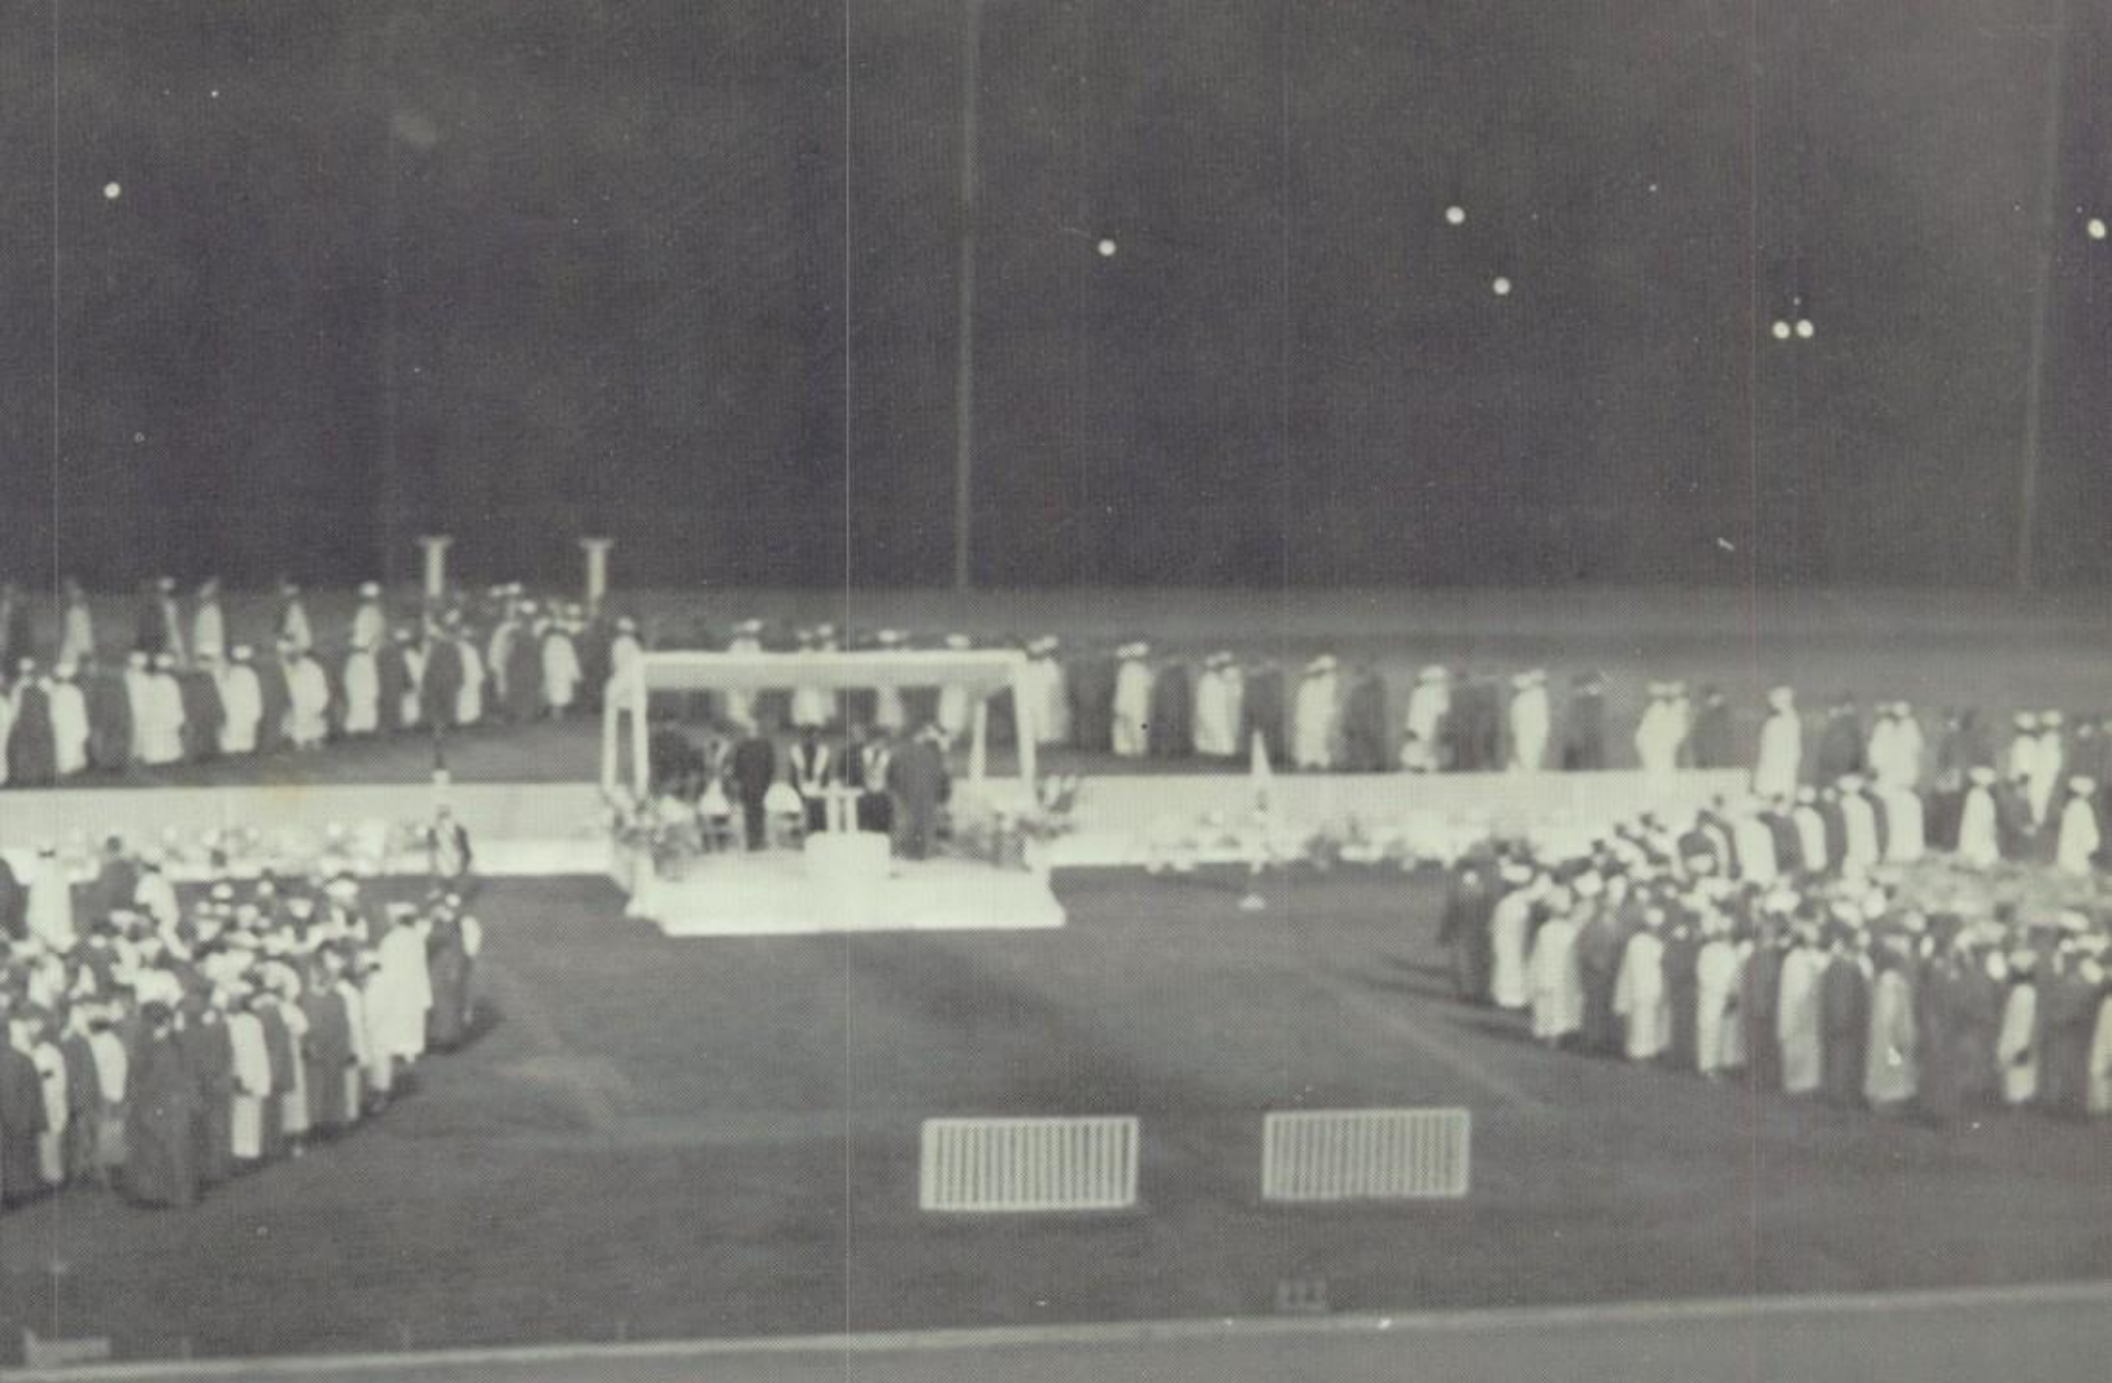


Of Life

"If I don't learn how to type, I'll never pass Senior Problems!" ad libs Kathy Koshe as she and Steve Emmons rehearse their parts in the Senior Play "You Can't Take It With You."

Micohians put aside thoughts of school work and the evening's Varsity Dance, as Renzo Farraris, Mira Costa exchange student from Italy, tells of differences in the Feast of Thanksgiving practiced in the two countries. This annual assembly climaxes Spiritual Emphasis Week.

DIPLOMAS — THE END AND THE BEGINNING



JUNIOR CLASS OFFICERS, L TO R: Joe Reynolds, **President;** Judy Jones, **Secretary;** Lynn Butler, **Treasurer;** and Kirk Calhoun, **Vice-President.**

Having taken root and showing progress, this year's Junior Class was well established in many phases of school activity.

With the arrival of class rings on December 16, many eager Juniors officially became "Upperclassmen," which added to the thrill of the Christmas Holidays.

Privileges which are reserved for the Junior Class were exercised with ease and enthusiasm. The selection of the foreign exchange student finalists and the planning of the Junior Play took both time and energy from many a contributing Junior.

Proceeds from the production, "Gramercy Ghost," went for the financial support of the annual Junior-Senior Prom, put on for the departing seniors by the rising upperclassmen.

To lead the class of '61 through its duties were Joe Reynolds, presiding; Kirk Calhoun, in the wings; Judy Jones taking the minutes and Lynn Butler holding the purse strings.

The doors of Mira Costa have closed on you, the Class of '60. Never again will you walk through these halls and feel, "I belong." Your high school days are past and all you have left now are memories. The years have passed swiftly since you first entered Mira Costa in 1956 as the largest freshman class. Then, just as suddenly, you found yourselves seniors, led by Vince Thomas, President; Jon Seawright, Vice President; Georjess Forrester, Secretary; Marilee Rice, Treasurer; Judy Burrows, Historian, and all ready to take full advantage of your privileges. The days passed by quickly as senior pictures were taken; your motto and class colors were chosen; you were measured for caps and gowns, and selected your announcements. Your anticipation grew fast as June approached. College Board Entrance Exams, Senior Problems, and "Will the Class of '60 please rise," were familiar phrases you heard during the year.

Senior Ditch Day and Graduation followed by the Graduation party climaxed a wonderful four years for all of you, years that you can never forget nor ever return to, for:

"We've crossed the Bay —
The Ocean lies ahead."

H. Stannard

SENIOR CLASS OFFICERS — L to R: Vince Thomas, **President;** Georjess Forrester, **Secretary;** Judy Burrows, **Historian;** Marilee Rice, **Treasurer;** and Jon Seawright, **Vice President.**

Varsity Takes Bay Title

Mira Costa's 1959-60 Wrestling Squad once again proved itself to be the top team in the area winning their fifth consecutive Bay League title.

The Mustangs met their first league opposition of the '60 season hosting Leuzinger's Olympians. Micohi won the match 31—12, highlighted by five consecutive 'Costa pins. Barry Hickman, Bob Becker, Ron Gilbert, LaMarr Maus, and Jerry Nickel pinned their opponents, snaring 25 of MC's 31 points.

MC won another match, over the El Segundo's Eagles with a 30—13 tally.

bigger victory when they edged a touch Redondo Seahawk team 26—21. At this point in competition, the Mustangs had a winning streak of 48 straight Bay League wins.

Towards the close of the season, the experienced wrestling squad defeated fourteen other schools to win the fifth annual El Camino Wrestling Tournament.

With CIF finals close at hand, here is the list of wrestlers competing in CIF competition: Norman Dean, Craig Alder, Chuck Johns, Dave Hunt, Harold Anderson, Barry Hickman, Bob Becker, captain, Ron Gilbert, LaMarr Maus and Jerry Nickel.

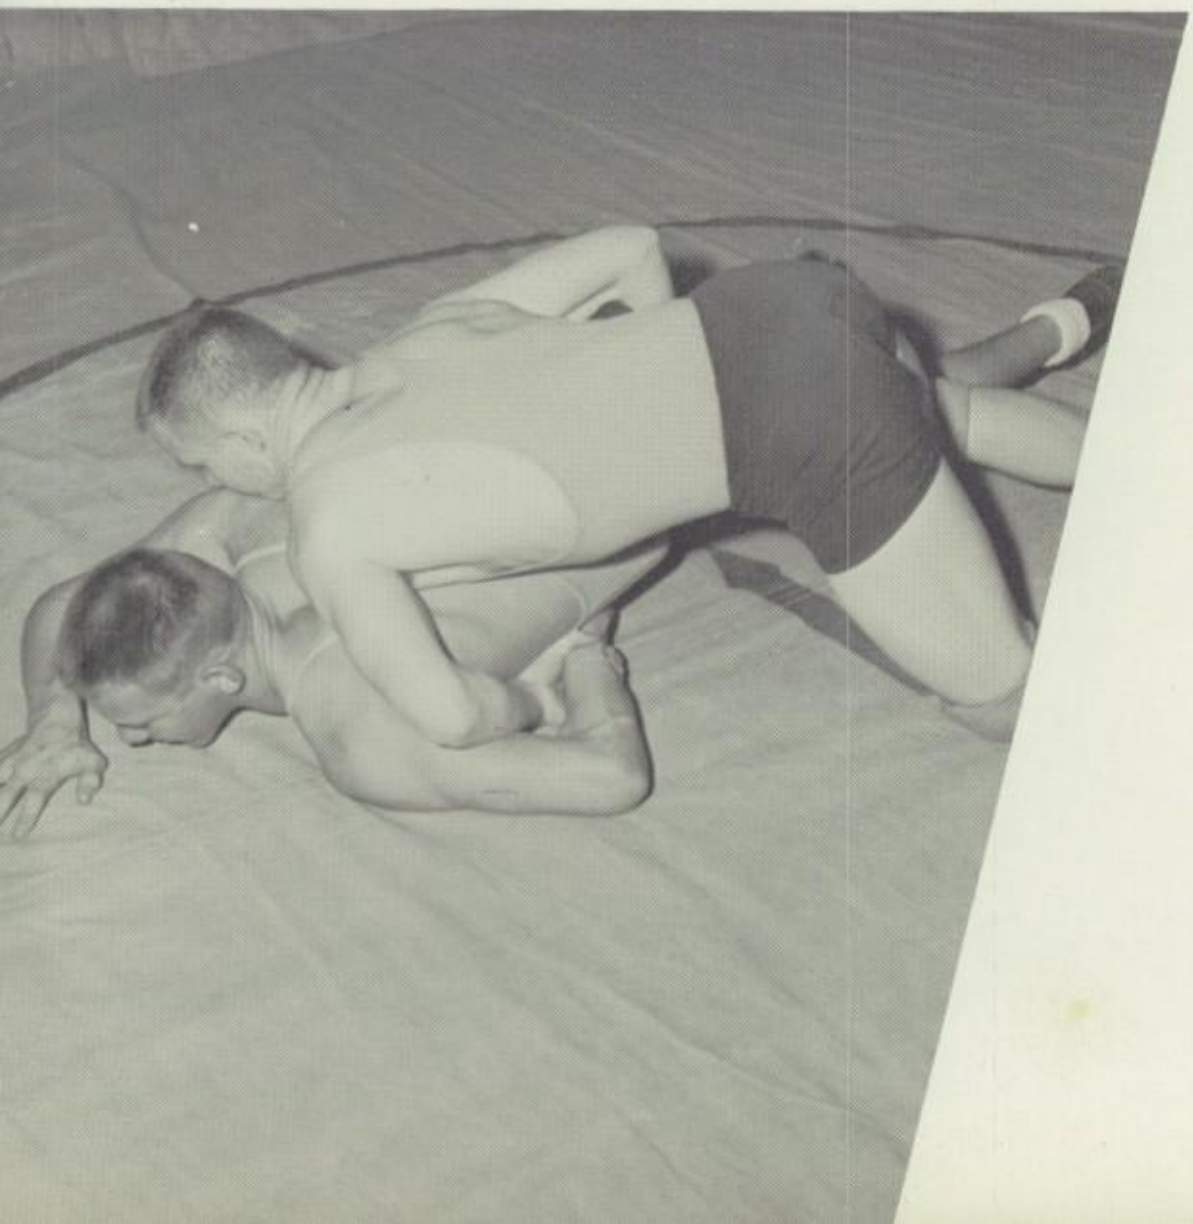
J. Nickel and S. Maus practice with a "bararm — crotch right."



After winning its fifth consecutive Bay League wrestling championship the Mira Costa Team entered what turned out to be the toughest C.I.F. competition in wrestling history. The Mira Costa team placed two boys in the finals. Bob Becker was pinned early in the final competition by Inglewood grappler, Richard Cook. Becker still managed to place fourth in the southern half of the state. Norman Dean only a sophomore amazed his team mates by his seasoned performance. Dean placed second in tough competition. Teamwise Mira Costa placed eleventh out of the 106 schools represented in the CIF. A bright thought about this fine Mira Costa wrestling team is that of the thirteen lettermen nine return to make up the nucleus of next year's team.

Starting 5 Fights for 'Costa

Having set their goal for another Bay League championship, Varsity cagers showed their prowess when in the opening game of the season they vanquished their Alumni 68—44. The following week, however, the Mustangs, defending their Pacific Shores championship of the previous season, were edged out of the tourney by co-favorites, the Glendale High Dynamiters, (who then went on to win this Annual Tournament).

Though the MC roundballers outscored the Torrance Tartars in the third and fourth quarters, they were unable to overcome their first half handicap of having hit for only 5 points to Torrance's 20. As the buzzer sounded, the Mustangs were 5 points short of victory!

Mira Costa's twenty-two home-court victory record was shattered in a 1 point win by a determined Leuzinger team. Ironically, the Olympians broke their twenty-five game losing streak by winning their first Bay League victory in three years!

The Morningside game, found MC's team going into the final period a 9 point margin behind. The Mustang netters closed the gap in the final quarter. The winning 3 points came from Moeller who hit on a five foot jump shot, was fouled, and canned the free-throw to complete the 3 point play which won Mira Costa a close 47—43 victory.

A week of glory for the Green and Gold basketballers gave Mira Costa high hopes for their third Bay League trophy. Having outclassed the Inglewood Sentinals and Santa Monica's Vikings, top contenders for League title, pointed out once again Mira Costa's basketball strength. The week following these victories, found Micohi pitted against a highly spirited Seahawk quint. This classic thriller ended in a chaotic 65—61 score. Cross town rivals, Redondo fell twice to a Mustang squad determined to "sink the Seahawks!"

The last League game for senior Joe Moeller, was a brilliant 43 point performance. Breaking Micohi's record set by Noel Smith last season, Moeller made first string on the All Bay League squad.

In a slow game against North Torrance, senior Tim Murphy came through for 'Costa. Murphy made 14 points in star player Joe Moeller's absence. Moeller re-injured his right ankle on a rebound attempt after two minutes of play in the second quarter. Also in the double figures in the 68—44 win were: Jim Witt, Larry Detloff and Gary Gonnerman.

Dropping a hard fought game to Samohi, the Mustang team lost its first game in nine starts. The nip and tuck affair had both teams under pressure the entire four quarters. Coming out of the dressing room to a 7 point lead, MC cagers extended the score to 31—21, only to be cut back by Viking team mates Lonnie Collins and Kenny Graham. Graham poured in nine charity tosses in the final minutes of this heart breaker, to win by 4 points for Santa Monica High.

Two easy victories came for the Mustang Five as they outscored Morningside, low men on the totem pole of Bay League victors, and Hawthorne's Cougars.

Ending the season with a 20—7 record, the MC hoopsters dropped out of contention in the CIF race by a loss to Montebello in the first round of playoffs. Mustang inability to capitalize on charity tosses lost the game for the Micohi team.

Comparing notes and ideas from last summer's trip to Boys' and Girls' State are Burleigh Brewer, Becky Brock, Jerry Bova, Dick Saum.

Girls and Boys State — a City Within a City.

Girls' and Boys' State is the American Legion Auxiliary program which challenges the youth of America to accept not only the priceless privilege of citizenship, but the duties and responsibilities which insure the preservation of our democracy and the American way of life.

The 1959 Girls' State session was held on the University of California campus at Davis while the Boys' State was held at Sacramento. Here they took part in activities to increase their knowledge of California state government. Through lectures and actual participation, they studied and applied parliamentary law, town and city government procedure, the functions of county officials, the duties and qualifying requirements for state elected officials, the various commissions and boards which function with our government, the two major political parties, and the various types of state jurisdiction. Citizenship, not politics, was emphasized at Girls' and Boys' State. Spiritual importance was placed upon every experience which they encountered.

Foreign Students Help Bring National Understanding

"Have I changed?" asks Cindy Dowling as she indulges in the two "most American" foods she's eaten here; a malt and hamburger.

Popcorn and baseball, two American favorites, are enjoyed by Renzo Ferrais, Mira Costa's exchange student from Italy.

Showing Carol Cavanaugh some of the places he visited, Wendall Hollis, exchange student to Brazil, helps her anticipate her trip this coming summer.

Once again Mira Costa had the opportunity to sponsor two students from foreign countries and to send one student to South America.

Cynthia Dowling or "Cindy" as she was soon called, from Timuru, New Zealand, and Renzo Ferraris from Genoa, Italy arrived at Mira Costa in September and became members of the Senior Class. They quickly became "Americanized," joined in many activities, and made many, many friends during their nine month stay.

Wendall Hollis was Micohi's representative abroad during his trip to Brazil last summer; sponsored also by the American Field Service. Next summer, Carol Cavanagh will be the A.F.S. and MCHS representative to a foreign country.

The American Field Service representatives in past years were: 1955 Bob Fults to Germany; 1956 Cecily Bond to Germany; 1957 June Montiero to Germany and Terry Vavra to Denmark; 1958 Fred Oder to France and Patty Innerbichler to Italy; and 1959 Wendall Hollis to Brazil.

C. S. F. Membership

Students from all grade levels who have earned the 10 points per semester are invited to join the California Scholarship Federation.

Accompanying the first semester "CSF-ers" to see "Ben-Hur" was the lucky winners of the club sponsored Torch Day. The second semester's half-day excursion followed a similar pattern.

The Sandacre Scholarship Fund, which receives financial assistance from this organization, is their continuing money raising project of the year. For the first time in Mira Costa's history, the CSF received the entire profits from the Variety Show for this worthy fund. This organization of diligent students, with its size always increasing, had a fine year, and is looking forward to another.

Those students who have participated in CSF for four semesters, one being in their senior year, are considered Sealbearers. Part of the prestige which comes with this honor is a gold seal on their diploma and a gold cord on their cap and gown at graduation. Committees which determine the receivers of scholarships take this symbol of scholastic achievement into consideration.

Track Spring

The 1960 edition of Mustang Track teams got off to a flying start and easily developed into the best balanced group of teams in Micohi history. Coach Dean Miller, in his second year at the Mira Costa helm, and his assistants Bob Holtel and Tom Bush enthusiastically watched these track-and-fielders in action! The Green and Gold dropped the opener to a great Leuzinger team, 53—51, but has since run rough shod over Redondo, Hawthorne, Inglewood, and Santa Monica in duel meets, and have added three jewels to their 1960 crown. MC tracksters won the Mira Costa Relays' Perpetual Trophy for the first time and crushed arch rivals Redondo and Aviation for the Rafer Johnson Perpetual Trophy and the South Bay District Championship. The '60 team finished in fifth place out of 76 schools in the Southern Counties Championships at Huntington Beach. At deadline time, the best season in Micohi history was in clear view.

Spotlights Sports

In the first month of campaigning the Mustangs have established three new varsity records and one Bee school record. The powerful Bee team had also had only one defeat at deadline time, coming by 2 points at Samohi. This was definitely the best Bee squad in Micohi history and it was believed they would finish the season without another defeat. The mighty Mustang Midgets are undefeated in all competition and have a chance of finishing the season in just such a manner. We have the best freshman crop in many years and coupled with some veteran campaigners, none has come close to this determined band.

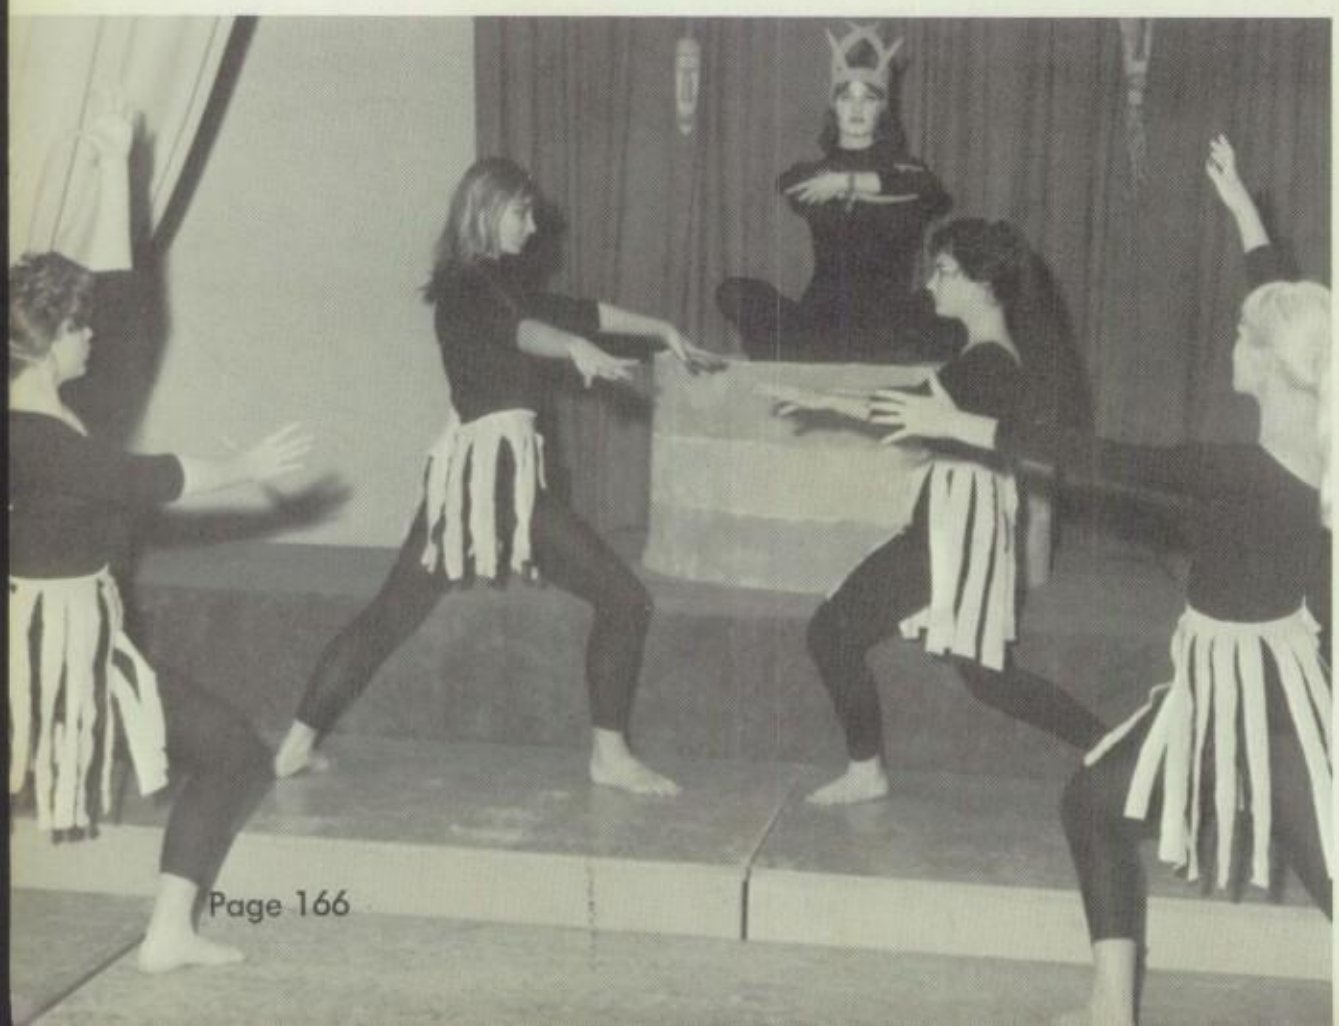
An important part of show business is to have characters who portray their parts, so in order to fulfill this requirement Bea Valencia was found working hard at making up the cast's faces for their various roles.



Zambezi, a prayer to a goddess. The unusual but very effective lighting helped to create a mysterious and eerie atmosphere for the audience.

"There's no business like show business!" says director Tony Joseph to his secretary Bobbie Delacourt and Jan Hendrick, a member of the cast, as he tries to organize the 1960 Variety Show.

Sets! Lights! Curtain! The activity behind the stage becomes as important as that on the stage as the crew works to maintain a smooth and organized variety show.

The MiCoAires, in western style, portrayed an American Holiday with a good, old-fashioned square dance.

1960 Coronation Ball . . .

Memories from a Medieval Mood

Medieval Splendor with decorations in royal purple and gold highlights welcomed the 1960 Coronation Ball Court, to the strains of "Deep Purple."

The nineteen couples were chosen from the senior class by the student body to be in attendance as the court. The two students receiving the highest number of votes reigned as king and queen.

In April of every year, the Coronation Ball, a "backward" dance, is put on by the Girls' League in honor of the seniors.

Spring Sports

Skinned knees and elbows are often the result as GAA'ers anxiously await the outcome of the jump-ball.

Stop-watches, anxious faces, and tense moments go hand in hand with victory as Mira Costa track men capture the Perpetual Trophy.

"Is that the volley-ball or the sun?" This is a common question asked during volley-ball season as GAA'ers fight against the sun's rays.

Another victim comes to face "fire-ball" pitcher Janice Scott as the GAA begins spring training.

Youth and versatility characterized the 1960 Mira Costa Baseball Nine. The unusual roster finds only five seniors on the Mustang team, three of whom are returning lettermen. Darrell Johnson, catcher — first baseman, made squad though only a sophomore. Unusual too, was finding a frosh, Bill Weber, on the Varsity's field holding down the position of catcher.

Being proficient in two positions, junior boys on squad showed promise for 1961 season: Bill Pearlman, catcher-outfielder; Wayne Bailey, pitcher-second baseman; and Ernie Gatchell, outfielder-first baseman. Returning letterman, junior Joe Reynolds was seen at shortstop position; George O'Brien, out in left field; and Bob Withers at second base. These boys too, will be returning to the Micohi diamond next spring.

Also in the batting lineup are seniors: Bob Campell, pitcher; Darryl Stucker, utility outfielder; and returning lettermen . . . Mike Weaver, centerfielder; Mike McClanahan, all Bay League third baseman; and all Bay League Pitcher, Joe Moeller. Coached by John Rhodes for the year with managers Bob Parks and Greg Plant, another great MC sports squad batted out their share of victories for the Green & Gold.

hard for home

Mustang horsehiders vying for Golden Splinter Award for bench warming, contemplate various matters: Darryl Stucker — a seeing-eye dog; Mike Weaver — absconding with ASB funds; Joe Moeller — that fight he just had, and "Coach Withers" hooting that guy in.

"Thank goodness for those stretch socks," sighs Coach Rhodes as pitcher Wayne Bailey retraces stolen steps.
